At 6:45 p. m., 7-22-64, SAC Joseph D. Purvis, Richmond Division, advised that he had just seen the Walter Cronkite broadcast over CBS-TV in which King was interviewed at Greenwood, Mississippi.

King said that, while he would not criticize the FBI, he had seen the FBI work all over the United States, and he recalled some few years ago after an airplane crash in Colorado, that the FBI had been able to speedily identify the perpetrator of this crime. King continued by stating that if the FBI was so talented and as efficient as the solving of that particular crime would indicate, it would seem that they should be able to solve the crime involving the three missing civil rights workers from Mississippi.

Reference is made to my earlier memorandum today (copy attached) concerning a call made to Mrs. Coretta King by an individual identifying himself as Nelson Smith of the American Broadcasting Company (ABC) in which it was stated that King would be killed today.

Mr. DeLoach checked with Mr. Robert Pawley, President of ABC and was advised that ABC has no employee named Nelson Smith and has never had an individual so named as an employee in Atlanta or elsewhere.

It, therefore, appears that this was a hoax call to Mrs. King intending to discourage King's activities.

It was reported that King would be in Amsterdam, Holland, on 8/16/64 although the source was not aware of the reason for King's going to Amsterdam and did not know when he is leaving the United States.

Previous information received by your office has been to the effect that King was planning to visit Berlin, Germany, in September, 1964. For your information, information concerning King's travels abroad has been disseminated by the Bureau to the State Department and the Central Intelligence Agency, among other agencies.

You are therefore instructed to furnish the Bureau by return communication a letterhead memorandum setting out the most recent plans of King in respect to travel to Holland.

SUBJECT: MIBURN

The investigation of the captioned matter has received extensive attention. In addition to Mr. Rosen, Inspector Sullivan and SAC Maynor have been working on this special. Mr. Rosen advised that he feels the investigation can be followed through under the direct supervision of Inspector Sullivan.

With regard to SAC Maynor, it is noted that Reverend Martin Luther King and a number of his associates are in Mississippi at the present time. There was a large gathering in Jackson on the night of July 22. Reverend King has indicated a desire to openly test facilities and has been held somewhat in check by Charles Evers, Field Secretary, NAACP, Jackson, Mississippi (brother of deceased Medgar Evers). We were advised today by Charles Evers that he has come to a parting of the ways with Reverend King and he does not know what action Reverend King will take henceforth in Mississippi or elsewhere.

There are indications the King group has not been receiving the amount of publicity that they would like and the Jackson Police Department were commended in the newspaper for the manner in which the King meeting was handled by the police on the evening of July 22nd.

On Friday, July 24, 1964, Reverend King is scheduled to make two appearances in Meridian, Mississippi, at two locations in different parts of the city. His plans for spending the night in Meridian are unknown at the present time, but there are some indications King and his group will spend the night at various homes throughout the city. Security for King and his group may, therefore, create a considerable problem for the Meridian Police Department, which is not large. The police department has been most cooperative, appears to be aggressive and is taking necessary precautions.

SAC Maynor has been in close contact with the police and it is believed desirable that he should remain in Meridian until the King group leaves his territory and this situation is cleaned up. The King group is scheduled to depart Meridian on Saturday and King will return to Atlanta, Georgia. Unless an incident arises, SAC Maynor will return to the New Orleans Office sometime over the week end.

RE: MURKIN

With regard to Mr. Rosen remaining in Mississippi, he is in a position that he could leave sometime tomorrow but feels that with the potential for trouble in Mississippi on Friday, July 24, 1964, it might be well for him to remain throughout the night and, if no situations develop which would require his presence in Mississippi, he will plan on returning to Washington on Saturday, July 25, 1964, if this meets with the Director's approval.

ACTION:

Unless unusual developments occur in Meridian on July 24, 1964:

(1) SAC Maynor will return to the New Orleans Office as soon as possible over the week end, and

(2) Assistant Director Rosen will return to Washington on Saturday, July 25, 1964.

Dear Mr. Jenkins:

The Reverend Martin Luther King, Jr., attended a mass meeting last night at the Masonic Auditorium in Jackson, Mississippi. An estimated five thousand persons attended the meeting.

Mr. Charles Evers, Field Secretary, National Association for the Advancement of Colored People, advised the Jackson Police Department he thought there would be a demonstration following the meeting and stated the source of this information was a report from informants he had in the Council of Federated Organizations. He also stated there were sixty Council of Federated Organizations workers in the crowd attending the meeting whose purpose was to begin a clapping and singing demonstration in the street.

According to Mr. Evers, the Council of Federated Organizations was jealous of him for having kept Reverend Mr. King from testing public facilities in Jackson and for his causing Reverend Mr. King to confine his activities to voter registration matters.

The Jackson Police Department called out one hundred extra police officers in the event there was a demonstration. An announcement was made from the rostrum during the meeting to the effect there was to be no demonstration. It was announced that if a demonstration commenced, the doors to the auditorium would be locked and demonstrators would be met at the doors and arrested. The meeting broke up in an orderly fashion and no incidents occurred.

L. Edgar Hoover

SAC Roy Moore, Jackson telephonically advised 1:50 a. m., that Martin Luther King, Jr., is holding closely to his previously reported itinerary in Jackson, Mississippi. He attended a mass meeting on the night of 7-22-64 at the Masonic Auditorium, Jackson. An estimated 5,000 persons attended.

Asst. Chief of Police M. B. Pierce that he thought there would be a demonstration after the meeting according to his informants in the Council of Federated Organizations (COFO). Evers told Pierce that there were 60 COFO workers in the crowd for the purpose of beginning a clapping and singing demonstration in the streets.

Evers told Pierce that COFO was jealous of him for having kept King from testing public facilities in Jackson and his causing King to confine his activities to voter registration matters. Signs appeared in the crowd protesting against Evers.

Chief Pierce called out 100 extra police to stand-by in the event there was a demonstration, and Chief Pierce's sources in the meeting told him an announcement was made from the rostrum that they did not want any demonstration. If one was started, the doors would be locked and demonstrators would be met at the door and arrested. Pierce said as a result the meeting broke up in orderly fashion and everyone went home.

SAC Moore stated a close check of King's movement is being maintained.

*Martin Luther King*

I called Governor Nelson Rockefeller of New York at Jackson Hole, Wyoming and I told him I was calling at the suggestion of the President in regard to the situation in New York City. I stated the President had asked me to keep my eye on it from the Federal angle of any violation under the Civil Rights Statute and to get in touch with him, the Mayor, and the Commissioner of Police to give assurance that if we can be of any assistance or help in enforcing the law, we stand ready to do it. Mr. Rockefeller stated he appreciates it. He stated he had been in telephonic communication with his people who are working closely with the Commissioner of Police. He stated they have already established close ties, that is the State Police, with Commissioner Murphy and they can mobilize about 5,000 men in less than two hours but he wants to avoid that as it is the last thing he wants to do. He stated their indications are that this has been inspired by left-wing labor groups. He stated they want to keep as low as they can but work behind the scene with the local authorities. I told Mr. Rockefeller that was exactly the feeling we have and that the President had stated at first the President was inclined to have me go to New York to see these and I thought that would be concentrating too much attention on it. I stated this is being pretty well handled by local authorities and it is a local situation. I stated the Mayor is due back at Idlewild at 4:50 PM and I intend to see him. Mr. Rockefeller stated he would be back Wednesday.

If Mr. Rockefeller he can reach me here any time and we have gotten along with the local authorities and the local situation is a tough job. I stated the Commissioner has done a masterful job under difficult circumstances.

Mr. Rosen asked if anyone at the Federal level is going to say anything about the kind of encouragement this is getting from radical groups. I told him I did not think so at the present time; that the President is issuing a statement this afternoon dealing with lawlessness and that it must stop and the

Federal Government stands ready to back the local authorities and he has been in touch through me with the local authorities to give that assurance. I stated I have been keeping the President advised as I send him a summary each day on the racial situation in Mississippi and Georgia, where there is the same communist problem, and also New York so he is well informed on the identities of those individuals like Martin Luther King and Bayard Rustin. I stated I am making it a point to keep the President informed on the background of those individuals. I stated the President is being flooded with telegrams demanding he send in the Federal troops and he had read several to me and they obviously were written by extremists. I stated that is the last thing he wants to do or intends to do. Mr. Rockefeller stated that James Farmer has been after him to use the National Guard and that is the last thing they really want and Farmer has now withdrawn his request that the State use the National Guard. I stated I thought it played right into their hands to do it. I stated I urged the President not to do it in Mississippi; that I went down to Mississippi myself and saw the Governor and the State Attorney General and my feeling down there as in New York is that the FBI is merely to aid and assist in any way to the state; that it is purely a local function unless there is a violation of a Federal statute.

I stated I got an order yesterday to investigate the police Lieutenant who killed the child the other night under the Civil Rights statute and I got hold of the Attorney General and that I thought it was wrong as they have called a grand jury and now that reason I have called my people off from investigating charges of brutality. I stated if the State Attorney or the grand jury does not make a case out of it, we can take it into Federal jurisdiction, but I think it is wrong to make it more difficult for the Commissioner by harassing his officers and he is doing everything he can to control them and the Attorney General cannot do anything.

Mr. Rockefeller stated that if the President issues a statement that he is in touch with local authorities, he would appreciate it if he includes the name. I stated he did.

Mr. Rockefeller stated there was one other thing he wanted to tell in confidence. He stated when he was in the California primary, he was talking to some of the Goldwater people and they said there were going to be

July 21, 1964

Memorandum for Messrs. Tolson, Belmont, Rosen, Sullivan, DeLoach

race riots this fall and it was going to be embarrassing. Mr. Rockefeller stated that he said there were not going to be any in New York and they said that is what he thought, that they were going to see to it that they take place. Mr. Rockefeller stated he thought we have to look at the left wing closely but we also have to look at the right wing, too.

I stated that was very true, that we have extremists to the right, such as the Klan and we have to be alert to extremists on the left as well as on the right.

Mr. Rockefeller commented that former SAC Cornelius has done a superb job for him as State Police Commissioner and I told him I was glad he was and that we have been working closely with him. Mr. Rockefeller stated New York is getting one of the best State Police organizations anywhere under Mr. Cornelius' leadership. Mr. Rockefeller stated he was so grateful for all that I have done for the country and for my men who have left the Bureau and now are playing an important part in state agencies such as the Liquor Authority. I think any time we can be of help, to call on me.

Mr. Rockefeller stated they will keep quiet and work the same as we are to support the city.

Very truly yours,

J. E. H.

I called President Lyndon B. Johnson and told him I wanted to give him a report on my conversation with Mayor Robert Wagner of New York City. I stated I had talked to the Mayor this morning as I could not reach him last night and the Mayor told me he had just talked to the President.

I stated I told the Mayor that we are working with his police authorities. I stated the Mayor said he had taken a trip through Harlem last night with Commissioner Murphy and things seemed to have quieted down there but to have shifted to Brooklyn. I stated I thought the Brooklyn situation is more in the nature of looting of stores rather than a racial problem. I stated there is no doubt a great deal of communist influence in the situation in Harlem and that is what the New York police are concentrating on and we are giving them every assistance we can.

I told the President that we got Martin Luther King through the evening safely and sound; that some plane had flown over and dropped flares leaflets but there was no attempt on his life.

The President stated he saw an article in the New York News entitled "Who Is Whipping Up the Riots; Mayor Home; LBJ Assigns FBI," and he suggested I get a copy and read it. The President stated he thought the FBI going in there helped the situation last night and he thought it would continue to improve when they know that somebody who is competent, objective, and fair is going to be looking over their shoulders as whoever is cracked gets concerned when the FBI goes in. The President stated the story was by Jack Mallon and proceeded to read part of it.

The President stated someone told him yesterday that this is one of a series of six or eight cities and that following Governor Wallace getting out, they had a deal sometime back that the Alabama man would take control high in the school of the other party, a fellow named Greenland (phonetic). The incident stated that Wallace did get out and that then there would be some move in with Negroes to agitate in cities from New York to Los Angeles.

Memorandum for Messrs. Tolson, Belmont, Rosen, Sullivan, DeLoach

The President stated he thought that we have got to get in there and see about the communist groups and the right wingers, too, because both apparently are playing on the weaknesses of these people and he does not believe anybody can get the information but the FBI and he thinks we have to have it to know how to handle it. I stated we will dig into it right away. The President stated he thought we can get in there and he thinks it is important. He continued that Senator Goldwater has been talking about wanting to talk to him and keep this out of politics. He stated he thought he would say to Goldwater, if Goldwater wants to talk to him publicly, that we are not going to do anything to incense the people but just try to investigate and if any Federal laws are violated, to prosecute them without fear or favor, without any partisanship whatever and if it is a local problem, going to cooperate with the local people because we are not a national police. The President stated as far as he is concerned, he is going to give me full authority and independent authority, and he will support me, and that I am going to work with the Governors and the local people as I have been for years; so my only instruction from him is to proceed without fear or favor, without any partisanship as he knows I would anyway, to get the facts and put it on top of the table to look at.

SUBJECT: MARTIN LUTHER KING  
VISIT TO MISSISSIPPI

SAC Roy K. Moore of the Jackson Office telephonically advised that an Agent of the Jackson Office at approximately noon had met Charles Evers of the National Association for the Advancement of Colored People. Evers mentioned to the Agent that he was "washing his hands" with regard to Reverend Mr. King and was having nothing more to do with King's tour and was leaving the entire matter up to the Council of Federated Organizations (COFO).

SAC Moore said he immediately attempted to contact Moses, head of COFO in Jackson, who was out of the office but did contact James Foreman, head of Student Nonviolent Coordinating Committee, who was in the COFO office. Moore requested to be advised if there had been any known change in the plans of Mr. King in connection with his activities in Mississippi and Foreman advised him there had not. Moore requested Foreman to immediately advise him of any change or deviation of any kind in connection with King's plans and Foreman stated he would do so.

Moore also advised that he was going to personally contact Moses as soon as available and advise him of the same thing.

Re: Martin Luther King, Jr.  
Security Matter - C

The "Long Island Press" of Monday, July 20, 1964, contains an article captioned "Violence Not Path To Equality: King" written by Percy Watson. In the article, it was stated that Martin Luther King, Jr., made a speech at the Hollywood Baptist Church, North Amityville, Long Island, New York, on July 19, 1964, where he was the guest of the Laymen's League of the church. According to the article, King made a plea for non-violence in the struggle by Negroes for equality and instructed them to "work untiringly for first class citizenship, but never use second class methods to attain it." During the course of his talk, King mentioned that his visit to North Amityville was a brief break from the day-to-day struggle for liberty in the South.

King pointed out, in his speech, that the Negro people are engaged in a frustrating, crisis-packed struggle, and he summed up their demands by saying "we want all the rights, we want them here, and we want them now". He said, "the great danger is the atom bomb in the hearts of men, which can explode in a disaster of hate".

According to the article, among those to greet King at the 700 seat church, which was crowded to overflowing was Rev. W. Robert Hampshire, Rector, St. Thomas Episcopal Church, Farmingdale, who recently returned from a civil rights demonstration in St. Augustine, Florida, where he was struck on the head during the melee. Father Hampshire referred to King as the "greatest man of our time". Reverend Andy C. Lewter, Pastor of the Hollywood Baptist Church called King the "Messiah of the Twentieth Century".

When C. L. McGowan of the Civil Rights Section started to advise Assistant Attorney General (AAG) Burke Marshall of the information received that a "guerilla group" pledged itself to assassinate Reverend Martin Luther King, Jr., and his companions when they went to Mississippi this week, Marshall interrupted and stated that he was aware of this information. Marshall advised that he had just called Martin Luther King, Jr., on another matter this morning and King had mentioned this to him. It was noted that Marshall was on the telephone when McGowan entered his office at 10:30 a. m.

Marshall advised that arrangements were being considered whereby King would not remain in Greenwood, Mississippi, tonight as originally planned but instead would return to Jackson, Mississippi. Marshall advised later that King had changed his plans and would proceed by automobile from Greenwood, Mississippi, this evening to Jackson, Mississippi, where he would remain overnight. Marshall stated he did not know where King planned to stay in Jackson.

Information has been developed by the New Orleans and Mobile Offices

Pursuant to the Director's instructions, Mr. Evans called SAC Roy K. Moore at Jackson regarding the proposed visit to Jackson and Greenwood, Mississippi, today, by Martin Luther King, Jr., and his associates.

*6-11-64*  
*Pro...*

SAC Moore was advised it had been learned the Mississippi Highway Patrol (MHP) proposes to patrol the highway between Jackson and Greenwood during the trip by King's party to and from Greenwood. (At this point there are conflicting reports as to whether King's party will drive to Greenwood or fly, as earlier reports indicated the King group had airline reservations to go to Greenwood.)

SAC Moore was instructed to arrange coverage by Special Agents of the meeting at Greenwood, with sufficient coverage in front and back of King to assure we can handle any incident on the spot without having to go into a prolonged inquiry, after the fact, to resolve it.

SAC Moore was advised to inform Governor Johnson promptly of this proposed coverage, and to tell him that we would be happy to have the Mississippi Highway Patrol participate jointly in this coverage.

SAC Moore advised he would get this matter set up at once.

ALL INFORMATION CONTAINED

 DATE 12/7/79 BY 9803 RDD/ndf

President Lyndon B. Johnson called. He stated he had sent Allen Dulles to Mississippi and I had gone down there and we had moved 20 or 30 men into Georgia and he was getting ready to issue a press release, which he proceeded to read to me. The release was to the effect that there must be law and order and that he had asked me to contact the local authorities and the Governor and inform them that we are conducting thorough and complete investigations of any possible violations of Federal law and they may be sure we will give them every possible cooperation.

I asked the President if he wanted me to go up and do this personally and he stated he thought it would be a good thing and he thought we ought to announce after a while, through the Justice Department, that he has directed me to investigate any possible violations of law and for me to give him a report, just as I did in Mississippi and just as I did in Georgia, and that we are going to be very much on the alert. I told him I would take care of it right away.

The President stated there is another problem; that Martin Luther King is going to speak in Greenwood, Mississippi, and he thought it would be a good idea if I would talk to my man in Jackson and tell him to work out some arrangement whereby somebody will be in front and back of him when he goes in; that at least there ought to be an FBI man in front and behind to observe and see what happens. He said it is a lot easier to watch the situation before it happens than afterwards. I asked if he thought I ought to advise the Governor of the plan to do and he agreed and said he wants my people to join them, because we have received threats and we are going to be in front and behind so we can see what takes place.

I asked the President in regard to the New York matter if I should not see the Mayor as he is arriving back this afternoon and the President agreed and suggested I be there when the Mayor gets in and I could use his Jet Star plane. He suggested I tell the Mayor and Governor that we are not taking over law enforcement, that we have been cooperating, but we do have to watch these Federal violations, that we don't know there have been any Federal laws violated.

but we are going to investigate and turn over any information that is pertinent. I added also to be of any assistance we can. The President also suggested that I not hesitate to make a statement in New York as I did in Mississippi, but to be careful not to do anything to inflame the Negroes; that I had handled it perfectly in Mississippi and I told him I would take care of it.

Re: Communist Party, USA

Internal Security - C

On July 5, 1964, a confidential source, who has furnished reliable information in the past, furnished information that Clarence Jones contacted Dora (Dora Mc Donald, Martin Luther King's secretary) on that date. Jones indicated that he had been working on a speech which King is scheduled to give to the Platform Committee of the National Republican Convention (which is scheduled to begin on July 13, 1964 in San Francisco, California). According to Jones, the speech will mention the activities in the civil rights field over the past four years such as boycotts, sit-ins, and other protests, and it says that these have not been sufficient. According to Jones, the speech goes on to say that these events were given legislative recognition in the passage of the Civil Rights Bill, and that the success of the Civil Rights Bill will depend on the compliance or degree of compliance and how much the economic condition of the Negro is improved.

This document contains neither recommendations nor conclusions of the Federal Bureau of Investigation. It is the property of the Federal Bureau of Investigation and is loaned to your agency. It and its contents are not to be distributed outside your agency.

Communist Influence in Racial Matters

According to Jones, in his speech King will suggest that the Republican Party consider the following: compliance with the Civil Rights Bill, police brutality and the harassment of civil rights workers, and automation and unemployment. Jones stated that King will suggest under compliance with the Civil Rights Bill that the President make use of his powers by appointing United States Marshals to observe in the offices of voter registration in any problem areas and to accompany to the office of voter registration any group of five or more persons who have been threatened, and supplementing this he will recommend that the powers of the United States Department of Justice and the Federal Bureau of Investigation (FBI) be more vigorously and creatively employed.

Continuing, Jones mentioned that King, in his speech, will say if the Communist Party (CP) and other subversive organizations can be successfully infiltrated why cannot intelligence surveillance be maintained on the terroristic groups and persons subverting the United States Constitution by arson, murder, and bombing. According to Jones, King will further recommend that the right to vote be guaranteed by creative use of the Executive power and the use of every power at the disposal of the FBI to expose the activities of the vigilantes and white citizens council groups which are terrorizing Negroes.

On July 4, 1964, the same confidential source furnished information that Clarence Jones contacted Ruby (Ruby Dee) on that date. Jones mentioned that he had spoken with John (Killens; the Negro author) and he mentioned that he understood there was a possibility that she might come to John Killens' home that night. In regard to this, Jones indicated that there would be a meeting at Killens' home with Malcolm (Malcolm X. Little, who is the founder and leader of the Muslim Mosque, Inc., and is Chairman of the Organization of Afro-American Unity). The same confidential source furnished information that Clarence Jones spoke with a man whom the source was unable to identify.

Jones mentioned that Martin Luther King, Jr. is speaking on Tuesday (July 7, 1964) in San Francisco at the Republican Platform Committee meeting. Jones also mentioned that King has an "idea" for the Democratic National Convention in Atlantic City, and he stated that it is related to Mississippi. (The racial situation in Mississippi.)

A confidential source, who has furnished reliable information in the past, advised on April 12, 1964 that Ossie Davis and his wife, Ruby Wallace (Ruby Dee) are not known to be members of the CP; however, they have the reputation of supporting or aiding causes, through personal appearances, which are also supported by the CP.

Clarence Jones is the General Counsel for the Gandhi Society For Human Rights, 15 East 40th Street, New York City.

MUSLIM MOSQUE, INCORPORATED

~~CONFIDENTIAL~~

The March 13, 1964, edition of "The New York Times," a daily newspaper published in New York, New York, contained an article on page 20 which indicated that MALCOLM X (LITTLE) former national official of the Nation of Islam (NOI) and Minister of NOI Mosque #7, New York, who broke with the NOI on March 8, 1964, publicly announced in New York City on March 12, 1964, that he had formed the Muslim Mosque, Incorporated (MMI). The MMI, according to the article, would be a broadly based politically oriented black nationalist movement for Negroes only, financed by voluntary contributions. In this public statement MALCOLM X urged Negroes to abandon the doctrine of non-violence when it is necessary to defend themselves in the civil rights struggle, and he also suggested that Negroes form rifle clubs to protect their lives and property in times of emergencies in areas where the government is unable or unwilling to protect them.

Incorporation papers of the MMI filed on March 16, 1964, with the Business Section, Clerk of Courts, New York County, New York, New York, reflect that the MMI was incorporated under the Religious Corporation Law of the State of New York to work for the imparting of the Islamic Faith and Islamic Religion in accordance with "accepted Islamic principals." The principal place of worship to be located in the Borough of Manhattan, New York, New York.

During an appearance over KYW - Television, Cleveland, Ohio, on April 7, 1964, MALCOLM X stated that the MMI does not stand for integration, but for complete freedom, justice, and equality for Negroes. He stated that Islam was the religious philosophy of the MMI, while the political, economic and social philosophy was black nationalism.

On May 15, 1964, a confidential source advised that the headquarters of the MMI are located in Suite 128, Hotel Theresa, 2090 Seventh Avenue, New York City, where they were established on March 16, 1964.

NATION OF ISLAM

~~CONFIDENTIAL~~

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam".

On July 10, 1963, a second source advised ELIJAH MUHAMMAD is the national leader of the Nation of Islam (NOI); Muhammad's Temple of Islam No. 2,5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960, MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam".

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils", in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon".

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

~~CONFIDENTIAL~~

NATION OF ISLAM

On May 5, 1958, the first source advised MUHAMMAD had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government; however, he did not indicate any fundamental changes in the teachings of his organization.

On July 10, 1963, a third source advised MUHAMMAD had early in July, 1958, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to MUHAMMAD, would help him acquire additional followers and create more interest in his programs.

NATION OF ISLAM  
MOSQUE #7, NEW YORK CITY

On May 3, 1963, a source advised that the Nation of Islam (NOI) affiliate in New York City is known as Mosque #7, also known as Temple #7, and is located at 102 West 116th Street, New York City. Mosque #7 is a part of the NOI headed by ELIJAH MUHAMMAD, with headquarters in Chicago, Illinois. Mosque #7 follows the policies and programs as set forth by ELIJAH MUHAMMAD.

The date Mosque #7 originated in New York City is not known.

However, in connection with the origin of Mosque #7, it should be noted that in 1953, a second source advised that there was a temple of the NOI (known to source then as the Muslim Cult of Islam) in New York City located at 135th Street and Seventh Avenue, as far back as 1947.

Sources of this Bureau whose identities are concealed in this document have furnished reliable information in the past.

The Attorney General called and stated he had just talked to the President about Mississippi and New York. He stated first on the Mississippi matter, as I know, Martin Luther King was going down there and Deputy Attorney General Katzenbach has been in touch with a representative of the Governor and they are going to have a lot of the State Police, not as escort, but available and close and the President suggested also that the FBI perhaps follow King out of the city of Greenwood back to Jackson and be available in case of any difficulty. I told the Attorney General that once we start protecting them, we are going to have to do it for all of them. The Attorney General stated he had raised that point with the President so perhaps I would want to discuss it with the President.

I told the Attorney General that I will do whatever he thought should be done and if he, the Attorney General, thought it should be done, I would do it, but I had taken a firm stand on it. The Attorney General stated he had never asked me to do it. I stated he had not and I took a stand while in Mississippi that we were not going to.

The Attorney General asked if as an alternative, could my people talk to the Governor and perhaps familiarize themselves with what they are going to do and get an assessment and let him know. I stated we can and if necessary we can infiltrate with the Mississippi Highway Patrol which at least would make us present but not in escort of King per se. The Attorney General stated he would not want to do it unless we told the Governor. I stated I would not either. I would have it taken up with the Mississippi Highway Patrol right away.

### King Proposed For Peace Prize

OSLO, Norway, July 18 (AP). —The Rev. Dr. Martin Luther King has been proposed for the 1964 Nobel peace prize, the Norwegian religious magazine "Vaar Kirke" (Our Church) says.

The Lutheran magazine said editorially in its current issue that "it would be difficult in today's situation to find a more deserving candidate."

A group of Swedish legislators reportedly proposed Dr. King for the prize, the magazine said. The winner is chosen by the Norwegian Parliament.

The magazine said Dr. King should be awarded the prize for his role in the non-violent struggle for racial integration in the United States. It described him as a leading factor in the struggle for adoption of the new United States civil rights bill.

I called Honorable Walter W. Jenkins, Special Assistant to the President, and advised him the President had talked to me about Martin Luther King going into Greenwood, Mississippi, and we had that worked out. I stated King will fly from Jackson to Greenwood and I had my office down there get in touch with the Governor and tell him what we planned to do and asked him if he wanted to join in the activities at Greenwood. I stated we were going to have Agents in the crowd in back and in front of the platform where King will be speaking; that the police were going to patrol the highway but since King is going by plane, that will not be necessary. I stated the Governor was pleased and stated he would have his men cooperate fully with us. I stated as a matter of fact the Governor was going to Greenwood to attend a funeral and he was going to talk to the local authorities upon his arrival.

Mr. Jenkins stated he would pass that on to the President.

Very truly yours,

J. Edgar Hoover, Director  
Washington, D.C.

Gentlemen:

I would very greatly appreciate your assistance by providing me with some information concerning the Rev. Martin Luther King and charges that he is a Communist. A member of my congregation has told me that on a radio news program he heard that the F.B.I. has investigated Martin Luther King and that the results of their investigation indicate that he is a Communist. He didn't know what radio station carried this news program.

If you are able to confirm this or deny it, I would appreciate it very much. If this information is false, I would like to stop it before it spreads very far, that no damage may be done.

I called the Portland office of the F.B.I. and they advised me to write to your office.

I thank you very much for your attention.

Sincerely,

July 8, 1964

Federal Bureau Of Investigation,  
Washington, D.C.,

Dear Sirs:

There came to my desk recently a printed page from the "Alert Americans Association" Box 1222, L.A. 53, which purports to be a photostatic copy of an announcement in "the Augusta Courier," July 8, 1963. It has a picture of Martin Luther King sitting with others in a class of the Highlander Folk School in Monteagle, Tennessee during the Labor Day week-end of 1957.

Among other things it states that Karl Prussian, a counterspy for the F.B.I. for twenty-two years, charges that Martin Luther King, Jr., belongs to sixty Communist-front organizations- more than any Communist in the United States.

It is my intention to use this information in a local church publication but I do not want to do this until this information is verified by your office. I would also like to know of the standing of the "Alert Americans Association".

I

I desire to take a strong stand against Communism and to expose those who are hiding their objectives under cover of respectable movements, but I do want to be factual in all statements.

Most sincerely,

On June 29, 1964, a confidential source, who has furnished reliable information in the past, furnished information that Martin Luther King, Jr., contacted Clarence Jones on that date. King stated that he is going to St. Augustine, Florida, on June 30, 1964, and he mentioned the possibility of a bi-racial committee being formed (to deal with the racial situation in that city). King mentioned that the Klan (Ku Klux Klan) took over the city last week, and he said that the decent people became enraged. King mentioned that he feels that this week will bring a real change, and he said that it looks like victory.

King mentioned to Jones that he does not think the bodies (of the three civil rights workers who have been missing since June 21, 1964) will ever be found in Mississippi, and he stated that he believes that the bodies have been disposed of. Jones remarked that the Sheriff (the Sheriff of Neshoba County, Mississippi) probably helped in this.

King mentioned that he will appear at the Republican Convention (which will start on July 13, 1964, in San Francisco, California) a week from tomorrow, and he said that he plans to give a strong plea for civil rights. Jones remarked that he will assist King with the text. King mentioned that he will make a reference to Goldwater (Senator Barry Goldwater from Arizona, who voted against the Civil Rights Bill) at a press conference at the convention. King mentioned that he will be in New York on Thursday and Friday (July 2 and 3, 1964) for a television program. Jones replied that he can have the text completed by that time and that King could look it over.

On June 29, 1964, a second confidential source, who has furnished reliable information in the past, furnished information that Clarence Jones contacted John Killens (who is a Negro author) on that date. Jones told Killens how great he thought Malcolm X is, and both men agreed that he is a real leader and a person to watch. Killens said that he would like to get together with Malcolm as soon as possible.

Jones stated that he believes Malcolm needs organizational help, and he suggested that Killens or Ossie (Ossie Davis) could help with Malcolm's speeches. Jones said that he is willing to do anything he can to help. Jones stated that they should try to get Malcolm's speech printed, and he suggested the possibility of having it printed in Freedomways or put out in a pamphlet.

On June 29, 1964, the second confidential source furnished information that Clarence Jones was in contact with Ruby (Dee) and a man, whom the source was unable to identify, on that date. Jones stated that he had attended a meeting which Malcolm X (Malcolm X Little, who is the founder and leader of the Muslim Mosque, Incorporated, and is Chairman of the Organization of Afro-American Unity) had last night, and he stated that he was really moved by the statement of principles made by Malcolm X. Jones mentioned that it (the statement) concerned the matter of Afro-American unity and racism and the common problem to eliminate racism in this country.

Jones mentioned that Malcolm X is to go to Africa in ten days. Jones and the man, whom the source could not identify, planned to meet with Martin Luther King and Malcolm X before Malcolm X goes to Africa.

A confidential source, who has furnished reliable information in the past, advised on April 12, 1962, that Ossie Davis and his wife, Ruby Wallace (Ruby Dee) are not known to be members of the Communist Party; however, they have the reputation of supporting or aiding causes, through personal appearances, which are also supported by the Communist Party.

On February 26, 1962, John O. Killens was interviewed under oath by [REDACTED] a Special Agent of the Federal Bureau of Investigation, at which time Killens said that he had been a member of the Washington Committee for Democratic Action, had been a delegate to a 1941 conference of the American Youth Congress, and had participated in activities of and made contributions to the National Negro Congress. He said he had never been an active member of this organization.

FREEDOMWAYS ASSOCIATES, INC.

The records of the New York Secretary of State, Albany, New York, show that the certificate of incorporation of Freedomways Associates, Incorporated, was filed on March 2, 1961.

The Spring, 1963, issue of "Freedomways" is self-described as "A Quarterly Review of the Negro Freedom Movement" published by Freedomways Associates, Incorporated, 799 Broadway, New York City.

On May 24, 1961, a source advised that a report was given on "Freedomways" at a meeting of the National Board, Communist Party, USA (CPUSA), held on May 24, 1961. It was stated that the original plan called for the publication to be openly Marxist, but that it was later decided it would not be avowedly a Marxist publication. Editorials are in the hands of a mixed group of Marxists and non-Marxists. It was stated that the central purpose of "Freedomways" is to develop a theory and positive criticism of currents in the Negro movement, as well as to raise the level of understanding and discussion taking place in Negro life today and to project a socialist and pro-Soviet orientation. *ce*

On May 25, 1961, another source advised that "Freedomways" was set up for the CPUSA by James Jackson, a member of the National Committee of the CPUSA. *ce*

APPENDIX

MUSLIM MOSQUE, INCORPORATED

The March 13, 1964, edition of "The New York Times," a daily newspaper published in New York, New York, contained an article on page 20 which indicated that MALCOLM X (LITTLE), former national official of the Nation of Islam (NOI) and Minister of NOI Mosque #7, New York, who broke with the NOI on March 8, 1964, publicly announced in New York City on March 12, 1964, that he had formed the Muslim Mosque, Incorporated (MMI). The MMI, according to the article, would be a broadly based politically oriented black nationalist movement for Negroes only, financed by voluntary contributions. In this public statement MALCOLM X urged Negroes to abandon the doctrine of non-violence when it is necessary to defend themselves in the civil rights struggle, and he also suggested that Negroes form rifle clubs to protect their lives and property in times of emergencies in areas where the government is unable or unwilling to protect them.

Incorporation papers of the MMI filed on March 16, 1964, with the Business Section, Clerk of Courts, New York County, New York, New York, reflect that the MMI was incorporated under the Religious Corporation Law of the State of New York to work for the imparting of the Islamic Faith and Islamic Religion in accordance with "accepted Islamic principals." The principal place of worship to be located in the Borough of Manhattan, New York, New York.

During an appearance over KYW - Television, Cleveland, Ohio, on April 7, 1964, MALCOLM X stated that the MMI does not stand for integration, but for complete freedom, justice, and equality for Negroes. He stated that Islam was the religious philosophy of the MMI, while the political, economic and social philosophy was black nationalism.

On May 15, 1964, a confidential source advised that the headquarters of the MMI are located in Suite 128, Hotel Theresa, 2090 Seventh Avenue, New York City, where they were established on March 16, 1964.

NATION OF ISLAM

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam".

On July 10, 1963, a second source advised ELIJAH MUHAMMAD is the national leader of the Nation of Islam (NOI); Muhammad's Temple of Islam No. 2,5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960, MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam".

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils", in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon".

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

2.  
NATION OF ISLAM

On May 5, 1958, the first source advised MUHAMMAD had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government; however, he did not indicate any fundamental changes in the teachings of his organization.

On July 10, 1963, a third source advised MUHAMMAD had early in July, 1958, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to MUHAMMAD, would help him acquire additional followers and create more interest in his programs.

NATION OF ISLAM  
MOSQUE #7, NEW YORK CITY

On May 3, 1963, a source advised that the Nation of Islam (NOI) affiliate in New York City is known as Mosque #7, also known as Temple #7, and is located at 102 West 116th Street, New York City. Mosque #7 is a part of the NOI headed by ELIJAH MUHAMMAD, with headquarters in Chicago, Illinois. Mosque #7 follows the policies and programs as set forth by ELIJAH MUHAMMAD.

The date Mosque #7 originated in New York City is not known.

However, in connection with the origin of Mosque #7, it should be noted that in 1953, a second source advised that there was a temple of the NOI (known to source then as the Muslim Cult of Islam) in New York City located at 135th Street and Seventh Avenue, as far back as 1947.

The Director has requested a summary of information in Bufiles concerning Lee Calvin White.

A United Press International press release on 6-5-64 carried an item indicating that Martin Luther King, Jr., claimed President Johnson had assured him through Special Assistant Lee White that the President was keeping an eye on racial developments in Saint Augustine, Florida. King also said he talked with White on three occasions in recent days and said he was told "the Federal Government would not stand by while the rights of Negroes are not protected."

White was investigated by the Bureau at the request of the Kennedy Administration, White House, during December, 1960, and January, 1961, at which time he was being considered for the position of White House assistant special counsel. (A copy of the memorandum furnished the White House, dated 1-9-61, is attached.)

BAYARD RUSTIN

The "New York Herald Tribune" issue of August 14, 1963, page 7, column 1, contains an article captioned, "Thurmond Assails a Leader of March". The article stated that, in answer to charges by Senator Strom Thurmond, Bayard Rustin admitted joining the Young Communist League (YCL) in 1936. RUSTIN also reportedly stated that he broke completely with the YCL in June, 1941.

The YCL has been designated pursuant to Executive Order 10450.

The "Daily Worker", issue of February 25, 1957, page 1, column 1, contained an article which stated that BAYARD RUSTIN, Executive Secretary, War Resisters League, was one of eight non-Communist observers at the Communist Party National Convention in 1957.

The "Daily Worker" was an East Coast Communist newspaper which suspended publication on January 13, 1958.

A. INTRODUCTION

The Southern Christian Leadership Conference with Headquarters in Atlanta, Georgia, is believed to lack organization and business finesse. This is attributed partly to a lack of policy and partly to the fact that all officers are preachers who are not skilled in certain areas. Communist infiltration of the organization at a working level was never feared, because no action could be taken without KING's approval and there was no chain of command where KING could be influenced by ideas or suggestions from the lower echelons.

The thing of concern is the possibility of a person with the wrong background or ulterior motives gaining the confidence of the subject who is believed to be extremely naive in certain areas. One such example of concern is an individual in New York City by the name of STANLEY LEVISON. LEVISON is very close to KING and has KING's confidence. LEVISON is able to get KING alone and give advice to him. This advice is readily accepted by KING. (u)

RUSEIN was on the committee to raise funds for Southern Christian Leadership Conference in New York City which at the time was known as the New York Friends of Southern Christian Leadership Conference. It is now an integral part of Southern Christian Leadership Conference but its activities are still confined mostly to the raising of money. O'DELL was on this committee as well as RUSEIN. O'DELL also was head of the New York Office of Southern Christian Leadership Conference. LEVISON has been acting mostly as a Business Manager and has donated large amounts of money to KING at times when KING's finances happened to be very low.

Integration Leader MARTIN LUTHER KING, JR., advised that JACK H. O'DELL, who was linked by Congressional Committees to a Communist Party organization, worked twice for his Southern Christian Leadership Conference.

KING said O'DELL had left Southern Christian Leadership Conference for the second time on June 26, 1963, and is no longer associated with the movement. KING called a news conference to deny a report in the "Atlanta Constitution" newspaper that O'DELL was currently employed by Southern Christian Leadership Conference in any capacity. KING acknowledged that O'DELL "may have had some connections in the past" with Communism but "we were convinced that he had renounced them . . . ."

The "Atlanta Constitution" described O'DELL as Director of the New York Office of Southern Christian Leadership Conference. A staff employee who answered the telephone in New York told United Press International that O'DELL was still with the office as "administrator" of the New York operation. However, later in the day the same office said he was not connected with the agency and had no knowledge of his whereabouts.

On April 19, 1964, the "New York Herald Tribune" a New York City Daily newspaper carried an article attributed to JAMES A. H. In this article H reported that despite the American Communist Party's "feebleness and disarray" its Agents are beginning to infiltrate certain sectors of the Civil Rights Movement.

It is noted that the subject of the p. 1 headline in Washington is NAACP. It is stated that H has accepted, and is almost certainly still accepting, Communist collaboration and even Communist advice.

ALSOP reported that in 1962 to 1963 the issue of the Communist role in the KING organization was raised because of HENRY PETER O'DELL who had held a post in KING's organization. However, O'DELL was finally dropped when KING was warned by U. S. Government officials that he was the genuine article. Official warnings have again been given to KING about another even more important associate who is known to be a key figure in the covert apparatus of the Communist Party. ALSOP stated that after the warnings, KING broke off his open connection with this man but a second-hand connection nonetheless continues.

("New York Herald Tribune,  
4/15/64)

On April 17, 1964, KING was in contact with CLARENCE JONES regarding the ALSOP article. JONES stated that he had given very serious thought to the problem and said he wanted KING to give some serious consideration to asking for an appointment with BURKE MARSHALL of the Justice Department. JONES said he suggested something like this because he did not feel it would be wise if an impression was conveyed that KING did not have any reaction to this article and that he did nothing positive about it. JONES said he felt the article was "a kind of warning from the administration" and he thought because of this it may require some affirmative response on KING's part. According to JONES, the purpose of the conference with MARSHALL would be to set the record straight as to the extent of the contacts with the individual (STANLEY LEVISON) about whom there is some concern and the reason for this contact during a limited period of time. KING asked whether JONES had talked to LEVISON about it and JONES said that he had. JONES stated that LEVISON felt very strongly about KING seeing BURKE MARSHALL. JONES said LEVISON felt the situation required some affirmative type response on KING's part so the Department would not feel that KING does not care. ~~X~~

JONES further stated that he felt because of the history surrounding O'DELL "because there have been conferences with the Justice Department, they had been very concerned and they may be getting a lot of misleading information which causes them to be disturbed about you." JONES said that if there is any question about the extent of KING's association with LEVISON and O'DELL then it can be said that during the transition period while O'DELL's responsibilities were being shifted to APPLE KANBER (an employee of the New York Southern Christian Leadership Conference Office) it was necessary for him to come to Atlanta for a period of time.

On April 19, 1964, SEANLEY LEVISON was told by CLARENCE JONES that KING feels it is very important that he, KING, contact the Justice Department. JONES remarked that KING did not initially agree with the position that a failure to respond to the content of the ALSOP article could be deemed politically unwise. JONES advised LEVISON that KING's position was that he did not have to respond to everything that was written. LEVISON replied that KING does not understand how serious this matter is. JONES stated that KING's friends would find it rather inexplicable that he took no affirmative action after the article. LEVISON agreed with this position and indicated that this was an article which challenged KING. According to LEVISON, the article in effect is saying "you are not doing what you said you were, what you promised to do". LEVISON said the answer had to be that there is a misunderstanding, that only a couple of pieces of evidence are being considered and that these are being misinterpreted. ~~X~~

LEVISON stated that KING does not like to feel on the defensive and would therefore prefer to ignore the ALSOP article saying he only has to satisfy his own conscience. LEVISON stated that by not answering the article, however, it confirms for the doubtful that he is guilty of all the charges which were made. ~~X~~

On April 23, 1964, CLARENCE JONES told KING that he spoke to ADELE KANTER of the New York Office of Southern Christian Leadership Conference and told her how to conduct herself in her relationship with STANLEY LEVISON. JONES said that he told her not to see LEVISON at all except in the case of an extreme emergency. JONES also remarked that he told KANTER to call him if she felt it was necessary to talk to LEVISON and that he, JONES, would make the final decision in regard to such a contact.

B. INFLUENCE REGARDING KING'S CONTACTS WITH  
THE PRESIDENT OF THE UNITED STATES

KING advised CLARENCE JONES on November 30, 1963, that he would meet JONES and HARRY WACHTEL at the Washington, D. C., Airport to discuss what he, KING, would say to President JOHNSON. KING advised JONES that he was meeting with the President at 11:30 a.m. on December 3, 1963. KING said he would fly back to New York City with JONES and WACHTEL.

[REDACTED] c b(1)

STANLEY LEVISON on December 6, 1963, told his brother, ROY BENNETT, that he had accidentally met KING in New York City on the day that KING had met with President JOHNSON. LEVISON said he was getting into the taxi cab when KING recognized him. He related that they had a "long minutes discussion" about KING's meeting with the President. LEVISON commented that KING is a poorly read man who probably has not looked in a book in twenty years. LEVISON stated that he had to tell KING to write a letter to President KENNEDY at the time of the Cuban crisis complimenting him for giving orders to his staff not to consider the outcome of the Cuban crisis as an American or allied victory. LEVISON indicated that KING did write this letter.

AUBREY WILLIAMS

JOHN BUTLER of Dallas, Texas, identified in testimony before the United States Senate Internal Security Subcommittee on March 19, 1954, at New Orleans, Louisiana, as a former Communist Party member, testified that he was introduced to AUBREY WILLIAMS in 1942 as "Comrade Williams", that he participated with WILLIAMS in a "conference" of communist affairs about one month later, and had heard WILLIAMS mentioned often as a Communist.

PAUL CROUCH, identified at the same hearing as a former Communist Party organizer, testified that he was introduced to WILLIAMS by HERBERT BENJAMIN, whom he identified as a charter member of the Communist Party as one of the "Chief National Leaders". CROUCH further testified that he would not have made statements to WILLIAMS unless "I had been informed that he was a secret member."

C. INFLUENCE ON PUBLIC STATEMENTS, SPEECHES  
AND BOOKS OF THE SUBJECT

On September 23, 1963, STANLEY LEVISON discussed the forthcoming book that is being written by the subject. LEVISON advised that this book dealt with KING's experiences in Birmingham, Alabama, as well as other matters and is being handled in part by CLARENCE JONES. LEVISON is not satisfied with the manner in which JONES has been handling some of the material for the book, and he intends to speak to JONES in this regard. LEVISON has prepared the Forward to this book which will be approximately a page and a half long. ~~AP~~

[REDACTED] C b(1)

On September 30, 1963, the subject held a discussion with CLARENCE JONES regarding his book. The subject advised JONES that he wants his book published as soon as possible. JONES remarked that he had checked on the publishing date and the book would not be published until 1964.

[REDACTED] C b(1)

On October 5, 1963, the subject asked the wife of CLARENCE JONES whether CLARENCE and "his friend" could meet with him at the subject's hotel. Later on the same date subject spoke with JONES and they discussed the recordings of subject's speech at the recent "March on Washington". Arrangements were then made between the subject and JONES to meet at the Park Sheraton Hotel, New York City, on October 5, 1963. The subject asked JONES if "our friend" would be coming with him. JONES said that he would because they wanted to discuss the subject's book with him. ~~X~~

JONES later contacted STANLEY LEVISON and advised him that he had met with the subject and arrangements had been made for all of them to meet. LEVISON agreed to attend the meeting. ~~X~~

[REDACTED] C b(1)

On October 8, 1963, ALLEN LOEWI, a business associate of STANLEY LEVISON inquired as to how LEVISON's day with JONES had been. LEVISON told LOEWI that it had ~~X~~

been a good day but added "you know I'm not going to be seeing him, but I have to finish off this book thing that was started". LEVISON said that he did not want to maintain contact and yet it was an obligation that he had taken. LEVISON did not say why he was having no further contact with KING. ~~20~~

[REDACTED] C b(1)

LEVISON on November 18, 1963, was requested by a representative of the publishers of KING's book to talk with KING and CLARENCE JONES about the editing of the book. LEVISON agreed to this adding that JONES does not have enough contact with KING to determine what KING's real complaints and desires are. ~~20~~

[REDACTED] C b(1)

CLARENCE JONES contacted LEVISON on November 19, 1963, and they discussed KING's book. JONES said KING was not satisfied with the editing job which had been done and JONES suggested that he and LEVISON would have to see KING in order to get all of the problems straightened out, even if it meant going to Atlanta, Georgia, to do it. ~~X~~

[REDACTED] C b(1)

CLARENCE JONES and STANLEY LEVISON planned to meet KING at the International Hotel at Idlewild Airport, New York, on November 20, 1963, at 11:00 a.m. It was indicated that KING would be leaving New York taking a 3:00 p.m. flight to Chicago.

[REDACTED] C b(1)

On November 20, 1963, Special Agents of the Federal Bureau of Investigation observed KING and his assistant BERNARD LEE entering the International Hotel Idlewild Airport, Queens, New York, at 10:43 a.m. LEE, after inquiring about a room in the hotel, registered and was given Room 311. KING and LEE took the elevator to the Third Floor. At 2:40 p.m. on November 20, 1964, Special Agents observed KING departing from the International Hotel in the company of LEVISON and JONES. Outside of the hotel KING and LEE entered one cab and JONES and LEVISON entered another.

On November 20, 1963, STANLEY LEVISON told a representative of the publishers of KING's book that he and JONES had met with KING and that he, LEVISON, had brought up the questions that had been raised about the book. LEVISON said that KING raised some objections to the questions presented and LEVISON said he would meet with the publisher's representative the next day when he would cover all that was discussed at the meeting with KING. ~~X~~ e

[REDACTED] C b(1)

On November 22, 1963, JONES and LEVISON discussed the death of President KENNEDY. During this discussion JONES said he would have to contact KING soon in regard to a statement which KING will have to issue. LEVISON advised JONES to make sure to emphasize to KING that this assassination was a result of the political reactions of the "right wing" and that the United States is coming to the point of rule by assassination as in South America. LEVISON told JONES that KING should say President KENNEDY's foreign policy must be carried out. ~~X~~

[REDACTED] C b(1)

On November 23, 1963, JONES contacted KING's secretary, DORA McDONALD. JONES told her that he had a statement which KING wanted to get from him for the "Herald Tribune". JONES said he thinks the title is supposed to be "The Implications for Civil Rights from President KENNEDY's Death", but JONES said that KING could put whatever title he wanted on it. JONES gave the statement to McDONALD which decried the loss of a leader who had the courage to be a friend of civil rights. It stated that the murder of the President "regardless of the identity of the assassin occurred in a "context of violence and hatred which have been boiling up in our Nation for the past several years."

In December 5, 1963, BAYARD RUSTIN contacted KING. RUSTIN informed KING that on December 13, 1963, at 8:00 p.m. Senator JOSEPH CLARK and "a couple of other intellectuals" were to speak at a conference in New York on peace, civil rights and labor. RUSTIN said that it was being put on by a "bunch of intellectuals under 'Turn Toward Peace'." RUSTIN said they would like to have KING speak at this affair and told KING that he would get \$500 for himself, not for the Southern Christian Leadership Conference, if he would speak. RUSTIN said that the affair on December 13, 1963, would be held at the Carnegie Center in New York City. RUSTIN said they wanted him to speak on the relationships between civil rights and peace or on peace as KING sees it. RUSTIN offered to help KING by "jotting down a few things." It is not known whether KING participated in this activity. ~~X~~

KING said he thought the whole book would have to be changed if they included the chapter but JONES said he and LEVISON had discussed this thoroughly and they felt the book would not have to be changed. KING said he did not see how he could say through the entire book that Negroes should have preferential treatment and then in the last chapter say this treatment should be extended to all underprivileged and not just to the Negroes. JONES advised KING that their main purposes was to link preferential treatment with the struggle against poverty.

KING mentioned to JONES the treatment of President JOHNSON which is given in the book and JONES advised that LEVISON said HERMINE POPPER felt KING should give his personal views of JOHNSON. JONES said this is particularly appropriate since the book will come out before the election.

KING said that the organization is just about broke. JONES asked KING if Southern Christian Leadership Conference had obtained the money from ROIMAN ROCKEFELLER (the son of Governor NELSON ROCKEFELLER) and KING indicated the Southern Christian Leadership Conference had not received the money which it was to receive as a result of KING's appearance on February 29, 1964, at a luncheon given by the Urban League of West Chester, New York. KING also wanted to know when Southern Christian Leadership Conference would receive \$2500 from the Gandhi Society and JONES replied that he would send the money out as soon as he could get some funds from HARRY WASHBURN and "other people". On August 28, 1963, STANLEY LEVISON in commenting on the March on Washington singled out KING as the "man of the hour" for everybody. LEVISON stated it was marvelous the way KING handled the white and Negro question in his speech, completely repudiating the nonsense of ADAM CLAYTON POWELL and the Nation of Islam. LEVISON said KING measures up to his introduction as the "moral leader of America."

A rally was held on October 24, 1962, sponsored by the New York Council to Abolish the House Un-American Activities Committee at the Manhattan Center, 34th Street and Eighth Avenue, New York City. WILLIAM KUNSTLER spoke at the rally and told the audience that the House Committee on Un-American Activities (HCUA) interferes with social progress and the brotherhood of man. KUNSTLER called for the abolition of the HCUA.

WILLIAM KUNSTLER had the "Daily Worker" delivered to his home in Port Chester, New York.

The "Daily Worker" was an East Coast Communist daily newspaper which suspended publication on January 13, 1958.

WILLIAM KUNSTLER is on the Board of Directors of the Gandhi Society for Human Rights.

FAIR PLAY FOR CUBA COMMITTEE

The April 6, 1960, edition of "The New York Times" newspaper contains a full-page advertisement captioned, "What is Really Happening in Cuba", placed by the Fair Play for Cuba Committee (FPCC). This advertisement announced the formation of the FPCC in New York City and declared the FPCC intended to promulgate "the truth about revolutionary Cuba" to neutralize the distorted American press.

"The New York Times" edition of January 11, 1961, reported that at a hearing conducted before the United States Senate Internal Security Subcommittee on January 10, 1961, Dr. CHARLES A. SANFOS-BUCH identified himself and ROBERT TABER as organizers of the FPCC. He also testified he and TABER obtained funds from the Cuban Government which were applied toward the cost of the afore-mentioned advertisement.

On May 16, 1963, a source advised that during the first two years of the FPCC's existence there was a struggle between Communist Party (CP) and Socialist Workers Party (SWP) elements to exert their power within the FPCC and thereby influence FPCC policy. However, during the past year this source observed there has been a successful effort by FPCC leadership to minimize the role of these and other organizations in the FPCC so that today their influence is negligible.

On May 20, 1963, a second source advised that the National Headquarters of the FPCC is located in Room 329 at 799 Broadway, New York City. According to this source, the position of National Office Director was created in the fall of 1962 and was filled by VINCENT "TED" LEE, who now formulates FPCC policy. This source observed LEE has followed a course of entertaining and accepting the cooperation of many other organizations including the CP and the SWP when he has felt it would be to his personal benefit as well as the FPCC's. However, LEE has indicated to this source he has no intention of permitting FPCC policy to be determined by any other organization. LEE feels the FPCC should advocate resumption of diplomatic relations between Cuba and the United States and support the right of Cubans to manage their revolution without interference from other nations, but not support the Cuban revolution per se.

The CP and the SWP have been designated pursuant to Executive Order 10450.

FREEDOMWAYS ASSOCIATES, INCORPORATED

~~SECRET~~

The records of the New York Secretary of State, Albany, New York, show that the certificate of incorporation of Freedomways Associates, Incorporated, was filed on March 2, 1961.

The Spring, 1963, issue of "Freedomways" is self-described as "A Quarterly Review of the Negro Freedom Movement" published by Freedomways Associates, Incorporated, 799 Broadway, New York City.

On May 24, 1961, a source advised that a report was given on "Freedomways" at a meeting of the National Board, Communist Party, USA (CPUSA), held on May 24, 1961. It was stated that the original plan called for the publication to be openly Marxist, but that it was later decided it would not be avowedly a Marxist publication. Editorials are in the hands of a mixed group of Marxists and non-Marxists. It was stated that the central purpose of "Freedomways" is to develop a theory and positive criticism of currents in the Negro movement, as well as to raise the level of understanding and discussion taking place in Negro life today and to project a socialist and pro-Soviet orientation. (u)

On May 25, 1961, another source advised that "Freedomways" was set up for the CPUSA by James Jackson, a member of the National Committee of the CPUSA. (u)

NATIONAL COMMITTEE TO ABOLISH THE  
HOUSE UN-AMERICAN ACTIVITIES COMMITTEE

~~SECRET~~

The "Guide to Subversive Organizations and Publications" issued December 1, 1961, by the Committee on Un-American Activities, U. S. House of Representatives, page 115, contains the following citation regarding the National Committee to Abolish the Un-American Activities Committee (NCAUAC).

"Cited as a 'new organization' set up in the Summer of 1960 to lead and direct the Communist Party's 'Operation Abolition' campaign. Seven of the national leaders of this group have been identified as Communists."

(Communists on Un-American Activities, House Report 1278 on the Truth About the Film "Operation Abolition," Part 1, October 3, 1961, p. 5.)

A source has advised that the NCAUAC changed its name on March 3, 1962, to include the word "House" in its name, thereby becoming known as the National Committee to Abolish the House Un-American Activities Committee (NCAHUAC). A national meeting of this organization was held in Chicago, Illinois, on April 27 and 28, 1963.

NEW YORK COUNCIL TO ABOLISH THE  
HOUSE UN-AMERICAN ACTIVITIES COMMITTEE

~~SECRET~~

On March 9, 1961, a source advised that the New York Council to Abolish the Un-American Activities Committee (NYCAUAC) 150 West 34th Street, New York City, New York, was formed at a meeting held in New York City on November 17, 1960. This organization was founded principally through the efforts of FRANK WILKINSON, Field Representative of the National Committee to Abolish the Un-American Activities Committee (NCAUAC).

A second source advised on September 17, 1952, that FRANK WILKINSON was a Communist Party member as of September, 1952.

A third source furnished on September 14, 1961, a copy of resolutions of the New York Council to Abolish the House Un-American Activities Committee (NYCAHUAC) which were adopted by the NYCAHUAC. One such resolution affirmed the intention to continue to work for the abolition of the House Committee on Un-American Activities (HCUA) and to continue its efforts to broaden the participation in this fight. Another resolution accepted as a modus vivendi the suggestion of the Field Representative of the "National Committee to Abolish the HCUA" (NCAHUAC) namely that local abolition committees may identify and co-ordinate their efforts as closely as they desire with NCAHUAC, still maintaining their autonomy for as flexible and independent a program as possible.

Various sources have advised during March, 1962, that Communist Party (CP) members in the New York City area have been solicited to support activities of the NYCAHUAC during attendance at CP Club meetings.

On May 6, 1963, the first source advised that the NYCAHUAC continues to function from its office at 150 West 34th Street, New York City, New York.

NATION OF ISLAM, formerly referred to as the Muslim Gate of Islam, also known as Muhammad's Temples of Islam

~~SECRET~~

In January, 1957, a source advised Elijah Muhammad has described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam".

On July 10, 1963, a second source advised Elijah Muhammad is the national leader of the Nation of Islam (NOI); Muhammad's Temple of Islam No. 2,5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960, Muhammad and other NOI officials, when referring to Muhammad's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. Muhammad claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following Muhammad's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including Muhammad, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On May 5, 1958, the first source advised Muhammad had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government; however, he did not indicate any fundamental changes in the teachings of his organization.

~~SECRET~~

~~SECRET~~

On July 10, 1963, a third source advised Muhammad had early in July, 1963, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to Muhammad, would help him acquire additional followers and create more interest in his programs.

SOUTHERN CONFERENCE EDUCATIONAL FUND, INC.

"The Southern Patriot", a monthly publication, shows that it is published by the SOUTHERN CONFERENCE EDUCATIONAL FUND, INC. (SCEF).

"The Southern Patriot" was cited as an "organ" of the SOUTHERN CONFERENCE FOR HUMAN WELFARE (SCHW) by the Committee on Un-American Activities, House Report 592, on the SCHW, June 12, 1947.

The SCHW was cited as a communist front by the Committee on Un-American Activities, House Report 592, June 16, 1947.

An amendment to the charter of the SCHW changed the name of that organization to the SCEF, and listed its purpose as being to improve the educational and cultural standards of the Southern people in accordance with the highest American democratic institutions, traditions, and ideals. The amendment was dated April 26, 1946.

A source advised on March 2, 1961, that CLAUDE LIGHTFOOT, a Communist Party functionary, stated at a meeting of the Communist Party in Baltimore, Maryland, on February 25, 1961, that the Communist Party is not connected with any progressive movement but indirectly they do have some influence in the SCEF.

A second source, who is familiar with some phases of Communist Party activity in the New Orleans area, advised on May 27, 1963, that during the time the SCHW was in existence, Communist Party (CP) members were members of and worked actively in the SCHW. However, since the formation of the SCEF, rank and file CP members have not been encouraged to work in the SCEF. The source stated that the SCEF is a progressive, liberal organization, which he considers a CP front organization because it has gone along with the Communist Party on certain issues, particularly on the racial question.

On May 27, 1963, the second source advised that in the past he has considered JAMES DZOMBROWSKI, the Executive Director of the SCEF, to be a communist, if not an actual Communist Party member, because he followed communist principles.

The second source also advised on May 27, 1963, that many people who are officials and members of the SCERP, while liberal in their views, are by no means communists.

"THE NATIONAL LAWYERS' GUILD"

The "Guide to Subversive Organizations and Publications, reviewed and published on May 14, 1951, by the Committee on Un-American Activities, U. S. House of Representatives, Washington, D. C., contains the following information concerning "The National Lawyers Guild:"

1. Cited as a Communist front.  
(Special Committee on Un-American Activities, House Report 1311 on the CIO Political Action Committee, March 29, 1944, p. 149).
2. Cited as a Communist front which "is the foremost legal bulwark of the Communist Party, its front organizations, and controlled unions" and which "since its inception has never failed to rally to the legal defense of the Communist Party and individual members thereof, including known espionage agents."  
(Committee on Un-American Activities, House Report 3123 on the National Lawyers Guild, September 21, 1950, originally released September 17, 1950).
3. "To defend the cases of Communist lawbreakers, fronts have been devised making special appeals in behalf of civil liberties and reaching out far beyond the confines of the Communist Party itself. Among these organizations are the \*\*\*National Lawyers' Guild. When the Communist Party itself is under fire these offer a bulwark of protection."

(Internal Security Subcommittee of the Senate Judiciary Committee, Handbook for Americans, S. Doc. 117, April 23, 1956, P. 91)

~~SECRET~~YOUNG SOCIALIST LEAGUE (YSL)

The March 1, 1954, issue of the "Young Socialist Challenge," published as page three of "Labor Action," an official publication of the Independent Socialist League (ISL), contained an article concerning the creation of the YSL, which pointed out that at a unity conference, occurring February 12-14, 1954, at Labor Action Hall, New York, New York, a merger occurred between the Young Peoples Socialist League (YPSL) and the Socialist Youth League (SYL). The new organization was named the YSL.

A Confidential Informant on June 15, 1954, made available the minutes of the YSL's National Action Committee meeting of April 13, 1954, which reflected that one S. SITEMAN, "Chairman of SP (Socialist Party) Youth Committee", had objected to a statement appearing in "Commerce," a New York University journal, which indicated that the YPSL merged with the SYL to form the YSL. He explained that the YPSL did not merge with anyone, that it continued to exist as the youth section of the Socialist Party. He expelled, or suspended from that organization and joined the SYL, which he characterized as the youth group of the "Trotskyite ISL". He explained that after these few former members of the YPSL joined the SYL, the SYL then proceeded to change its name for its own purposes.

On April 9, 1956, another confidential informant advised as follows:

The YSL has frequently worked in close sympathetic cooperation with the ISL toward similar objectives, although each major issue given mutual consideration is decided upon by these organizations individually. The YSL serves as an apprenticeship for the ISL, but ISL selection of members from YSL ranks is made on an individual and personal basis. In many instances YSL members are also members of the ISL. The YSL and ISL utilize the same printing house in New York City and the YSL publication is printed as an insert in "Labor Action". Frequently, lecturers before the USL are ISL members.

The YSL is publicly known as the youth affiliate of the Socialist Party - Social Democratic Federation.
